Centralize Management At Multiple Locations

Effortlessly search for people and vehicles of interest across multiple sites and cameras with a click.

Hybrid Cloud Adoption Option

Migrate existing cameras to a unified cloud platform without replacing the entire system via VIVOTEK network video recorder.

AI-Powered Video Search & Notifications

Search precisely to identify individuals and vehicles of interest, enabling quicker response to security threats.

Remote Management & Access

Easily monitor via browser or mobile, experience seamless over-the-air firmware updates, and get instant system health alerts.

Leverage The Reseller Portal

✓ **Centralized Management:** View all client devices and security status on one dashboard.

✓ **Efficient Support:** Access client systems remotely for faster troubleshooting and technical assistance.

✓ **Grow Your Business:** Maintain loyal clients with high-level engagement and support.
